

AWARENESS SUBCONSCIOUS

SYLVIA AGNES MEISTER 29.06 2020

A white pyramid sculpture is positioned in the center of a minimalist gallery. The pyramid's top is illuminated with a bright yellow-green light. The word 'AWARENESS' is printed in white capital letters to the left of the pyramid, and 'SUBCONSCIOUS' is printed to the right. The gallery has white walls and a light-colored floor. In the background, a doorway leads to a bright outdoor area with greenery. The lighting is soft, creating a contemplative atmosphere.
